Sir,

Sub: Proposed Quote for Training in Campus + online

CONCEPTEURS is primarily a Structural Design consultancy. **CONCEPTEURS CAD Training centre** is a dedicated division of **CONCEPTEURS** which offers Civil/Structural Engineering software training for students and professionals

As **CONCEPTEURS** is driven by experienced Professionals, we assure you that we can provide efficient knowledge based skillful training to your students.

We would like to submit our quote for Online training program on Structural Analysis and Design using STAAD Pro. The training program encapsulates the Analysis and Design principles which the students acquire in their Graduate course over 12 subjects spanning 5 Semesters and integrates them with practically viable structural applications. This program would enable students to confidently apply the engineering principles and concepts that they have acquired in their graduate engineering program.
