

NAAC CRITERION- 7

7.1.2 The Institution has facilities for alternate sources of energy and energy conservation Measures

Pedestrian Friendly Pathways

- In order to have a block free movement pedestrian path ways are available in the campus in a very structured manner.
- The main objective is to facilitate easy movement of Students and Staffs within the campus zone.
- Entry of Automobile is prohibited inside this zone for smooth movement of students and staffs.
- The Path ways are very well maintained and planted with trees by house keeping department.
