Memorandum of Understanding between SSM Institute of Engineering and Technology and APA College for women for Academic Cooperation

PREAMBLE

The Department of Physics, APAC(W)-PHY wishes to get your support in education and training programs for our final year students (number of Candidates – 34) by establishing a **Memorandum of Understanding for Academic Cooperation.**

Theme: Digital Electronics and Communication – Theory and Practical

PURPOSE & SCOPE

The purpose of this MOU is to support mutually in academic enrichment by executing the following activities as

- Delivering special lectures or arranging resource persons for Skill Development Programs (Seminars, Workshops and Training) based on mutually agreed topics.
- Allowing the students to utilize the resources as books or laboratory instruments
- Train the students to develop their skills/hands on operation

The institutions will exchange valuable inputs in teaching/training methodology and suitably customize the curriculum so that the students will be exposed to new areas of their subjects. Both institutions will train the students on the technologies in order to bridge the skill gap and make them skilled at their laboratory and on experiments without affecting regular academic classes.

FUNDING

- This MOU does not include the reimbursement of funds between the two parties.

TERM OF THIS MOU

- This MOU will take effect from the date it is signed by representatives of the two institutions. It will remain valid for **two years**, and may be continued thereafter after suitable review and agreement.
- Either institution may terminate the MOU by giving written notice to the other institution one month in advance.
- Once terminated, neither SSMIET, Dindigul nor APAC-PHY Palani will be responsible for any losses, financial or otherwise, which the other institutions may suffer.
- However, neither SSMIET, Dindigul nor APAC-PHY Palani will ensure that all activities in progress are allowed to complete successfully.
- This MOU allows all proposals or representations or communications by either oral or written form.

UNPAID INTERNSHIP AGREEMENT

The purpose of this educational internship is for Intern to **learn and to get training** in the field of **Electronics and Communication systems and to gain valuable insight and experience in these fields.** The term of this internship begins on 31st January 2022 and ends 30th

January 2024
