WOMEN EMPOWERMENT CELL

SOCIAL RESPONSIBLE ACTIVITY

Pot Painting and Fabric Embroidery Training

BRIEF NOTE

On November 25th to 29th May 2021, SSMIET Women Empowerment Cell in collaboration with Sri Sakthi Social Economical and Educational Welfare Trust, Ayyampalayam organized five days training programme on Pot Painting and Fabric Embroidery for rural women in our college's adopted village of Kunjanampatti. The program's goal is to empower women, which includes valuing their opinions and actively seeking them out as well as improving their standing in society via training, education, awareness, and literacy. Strengthening one's capacity for leadership development. The tool of real development was taken care by SSMIET and the impossible work was done by them by making the women empower by using the tool of awareness program. The beyond measure and beautiful work of making pots with color painting made them the evolving entrepreneur and made them economically powerful and hence developing them into the society changer.

We need women at all levels and when the level goes from home to reshape their leisure time into the voice that can be heard by not only cooking the food and maintain household affairs but also supporting the family through being the real architects of society. Impact of the programme was very effective for all age group women. Value education classes made them to understand the significance of values, respect the elders and help them at the times of need.
