ENVIRONMENTAL PROTECTION

TREE SAPLING

DESCRIPTION:

A world record event of Tree planting (6 lakhs saplings in 6 hours) held on 23.12.2022 at Edayakottai Taluk of Dindigul District. Tamilnadu Food and Food Supply Department Minister (Food and Food Supply, Consumer Protection, Price Control) inaugurated by Mr. R.Chakarabani. Two additional minister graced the occasion. By participating more than 200 students and 19 faculty members from SSM Institute of Engineering and Technology (SSMIET) participated in it. Also a Large number of college students, public works department employees, village administrators. Social welfare department employees, local municipality department officers and government officials also participated in it. Local Municipality department officers and government officials guided us on how to plant sapling properly. The trees are important in environmental and ecology concern. Neem,Punga,Vagai, Kodukkapuli,Amla Arjuna,vengai and Atthi and various new various items were planted. Due to rain and water availability 90% sapling are getting survival and people are involving in tree planting and rearing work. On that afternoon lunch was arranged for everyone by the government. Our SSMIET students participated with great enthusiasm.
