

## SSM INSTITUTE OF ENGINEERING AND TECHNOLOGY

(Approved by AICTE, New Delhi / Affiliated to Anna University, Chennai / Accredited by NAAC)

(Accredited by NBA – ECE, EEE & MECH UG Programs)

Dindigul – Palani Highway, Dindigul 624 002.

### Number of Students Sanctioned and Admitted for AY 2018-19-Summary

| Programme Name                                 | Programme Code | Number of seats Sanctioned | Number of Students Admitted |
|------------------------------------------------|----------------|----------------------------|-----------------------------|
| <b>UG- Programmes</b>                          |                |                            |                             |
| B.E. Automobile Engineering                    | 102            | 60                         | 22                          |
| B.E. Civil Engineering                         | 103            | 120                        | 30                          |
| B.E. Computerscience and Engineering           | 104            | 60                         | 55                          |
| B.E. Electrical and Electronics Engineering    | 105            | 60                         | 31                          |
| B.E. Electronics and Communication Engineering | 106            | 120                        | 85                          |
| B.E. Mechanical Engineering                    | 114            | 120                        | 72                          |
| <b>Number of UG Students</b>                   |                | 540                        | 295                         |
| <b>PG-Programmes</b>                           |                |                            |                             |
| M.E- Communication Systems                     | 403            | 24                         | 7                           |
| M.E. Thermal Engineering                       | 414            | 24                         | 2                           |
| <b>Number of PG Students</b>                   |                | 48                         | 9                           |
| <b>Total</b>                                   |                | 588                        | 304                         |
