## **Report – World No Tobacco Day**

On the 31<sup>st</sup> of May 2022, An awareness programme in our college premises was organized by the authorities and some students who volunteered. The program began with the Principal giving a welcome speech. We addressed the everyone present there and gave a small speech on the event. He spoke on the ill effects of tobacco and its addicting effects. A debate was also held on the topic " No Tobacco" for the students. They came up and spoke for and against the topic.

At the end of the programme a speech was given by the chief guest Mr.Oliver, Union Health Centre, Kannivadi who spoke on the ill effects of Tobacco , the fatal disease it causes, the addictive nature of cigarettes. At the end the students learnt how harmful cigarettes are for students and our health in the long run is more important than being cool or popular.
