## MEMORANDUM OF UNDERSTANDING

This Memorandum of understanding made on 14/01/2021, Thursday at Dindigul between the **Department of Mechanical Engineering, SSM Institute of Engineering and Technology, Dindigul - 624 002**, represented by **Dr.G.SANKARANARAYAN**, Professor as the party of the first part as Academic Institution

and

**Prajith Engineering Technologies, No.4, Venkateswara Industrial, Elluthottam Road Extn, Peelamedu, Coimbatore-641004, Tamil Nadu**, represented by **Mrs.T.Dhivya**, Proprietor as the party of the second part as industry and this MoU is valid for a period of two years from the date of signing.

  
**Dr. G. SANKARANARAYANAN M.E., Ph.D.,**  
Professor and Head,  
Department of Mechanical Engineering,  
SSM Institute of Engineering and Technology,  
Sindhalagundu (PO), Dindigul - 624 002

For Prajith Engineering Technologies  
  
Proprietor

Well shall enable both the parties to act in terms and conditions laid down herein. The following summarizes the terms and conditions of Well.

A. The Department of Mechanical Engineering of the Institution shall render the following services:

- i. Testing and related services of the college to the industry.
- ii. Consultancy services on charge basis, if required.
- iii. Services of our faculty for new product development.
- iv. Undertake in-plant train for better work methods & processes.
- v. Organize training for executives and subordinate staff of the industry on mutually agreed areas.
- vi. Prepare training manuals and standards as required by the industry through work study motion study.
- vii. Shall start new ideas and concepts with the industry.
- viii. Shall allow the company executives to take part in the Institute programs, seminars & conferences.

In turn **Prajith Engineering Technologies** shall provide the following facilities to the Department of Mechanical Engineering of **NISW Institute of Engineering and Technology, Dindigul**.

- i. In-plant Training for students during vacations.
- ii. Permit students for industrial visits of short duration.
- iii. Provide training for faculty, non-teaching staff on a mutually agreed period.
- iv. Permit our students to carry out project work on mutually agreed areas.
- v. Recruit suitable and well qualified students of college as when vacancy arises in the industry.
- vi. Carry out collaborative experiments for solving technical issues.
- vii. Participate by giving suggestions in curriculum and syllabus framing.
