Event Report-2021

Webinar on
“Industry 4.0-Revolutionising Future Technologies”
By Mr. B. Chandrasekhar, Trainee Engineer, VAKEN Technologies Pvt Ltd.

Date: 12-06-2021

Session Timings : 11.00-12.30 P.M

The session is handled by B. Chandrasekhar, Trainee Engineer, VAKEN Technologies Pvt Ltd. He started his speech from First Industry revolution which was focusing steam engines and second revolution was focusing electricity and electronics and so on. He mainly focused “what is Industry 4.0”, Impact on Society, and Cutting edge technologies is like Artificial Intelligence, 5G Technology, Natural Language Processing, Virtual & Augmented reality, Quantum Computing, and Robotics and drones.

He strongly suggested to students that “Industry 4.0 is therefore not a prediction of future but a call to action”. In connection to this, he added four principles like interconnection, Data Transparency, Technical Guidance, Decision Making on Digital world race. The impact of Society on business, on government, on employment, on people was the key point in the discussion. Students were enthusiastically asking doubts and get clarified. The Speaker promised that he will share the materials related to placement and career. 84 Students have attended the webinar E-Certificate is issued to all 84 students.
