Principal

7.1.1 Measures initiated by the institution for the promotion of Gender Equity Program **Facilities Proof**

Safety and Security: The Institute provides safety features like surveillance cameras, biometric systems, concrete compound walls etc. Matrons and supervisors taking care of the student's safety.

Surveillance camera

Biometric system

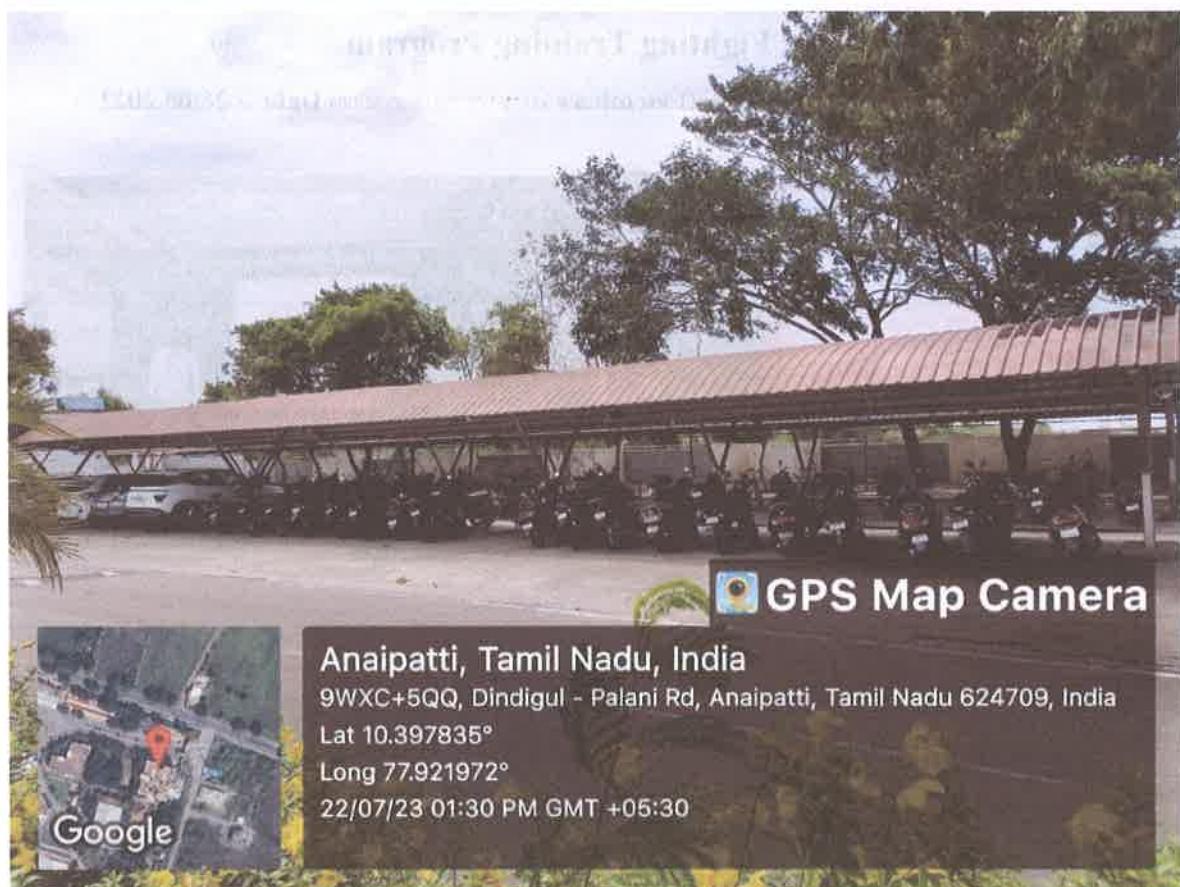

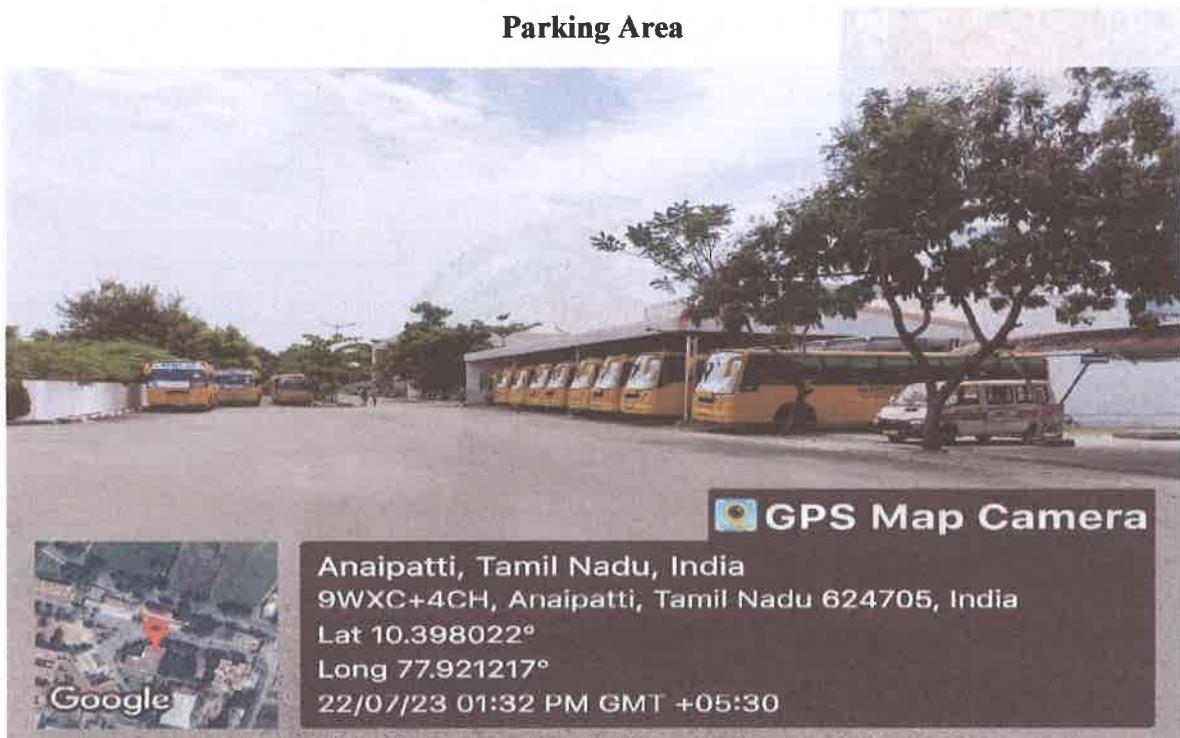

Inbuilt safety system is facilitated by surveillance cameras installed at 28 places like Main gate, cameras focusing on roads leading to the main building, A Block entrance, on all floors of A, B and C Blocks, Library entrance, reading hall, Girls Hostel entrance, Hostel Mess entrance, Mess Hall, Canteen entrance and service area, Bike parking area and the entrance near Gymnasium.

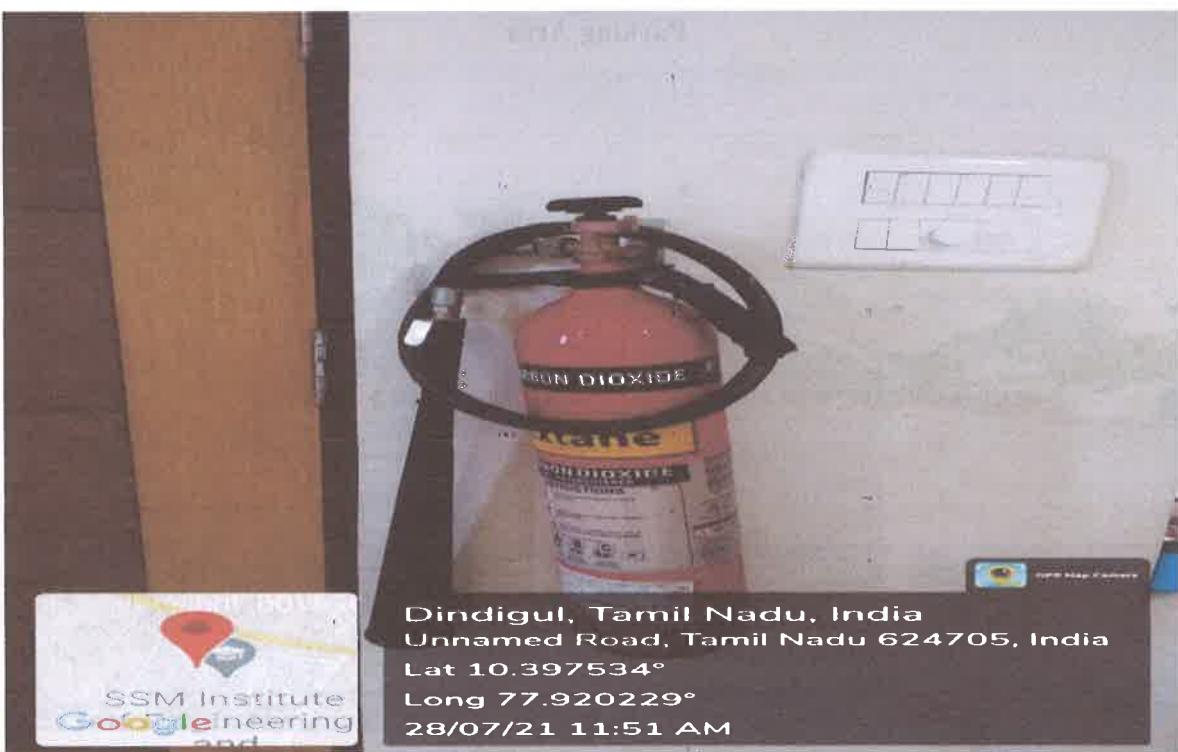

Play Area

Parking Area

For safety purposes we have a two separate staircases for each block in case of any emergencies. Fire extinguisher and first aid box kept in all rooms and lab.

Fire Fighting Training Program

For Faculty, Technical Assistants & Staff members

Date : 28.05.2022

Separate Staircases

Two Separate Stairs (Opposite To Each Other) In Each Blocks for Safety Purpose

LIGHTENING ARRESTER

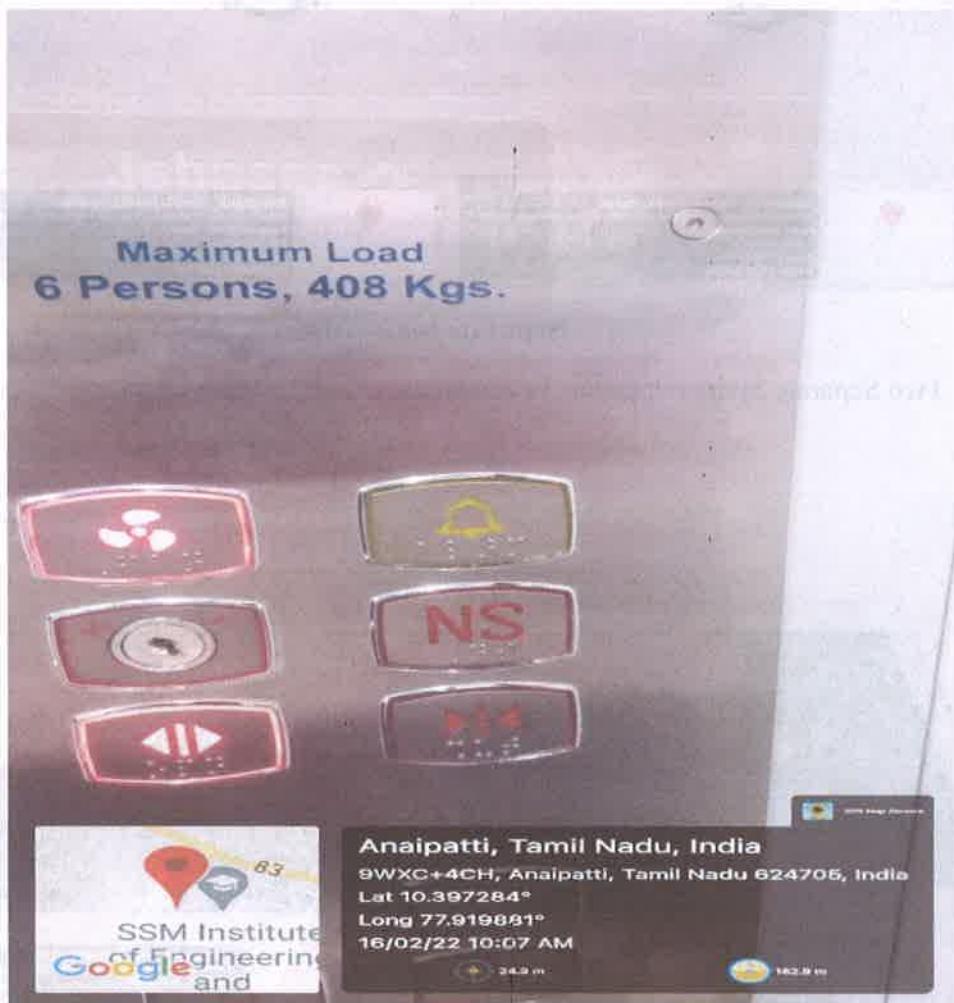

At B Block

At Hostel

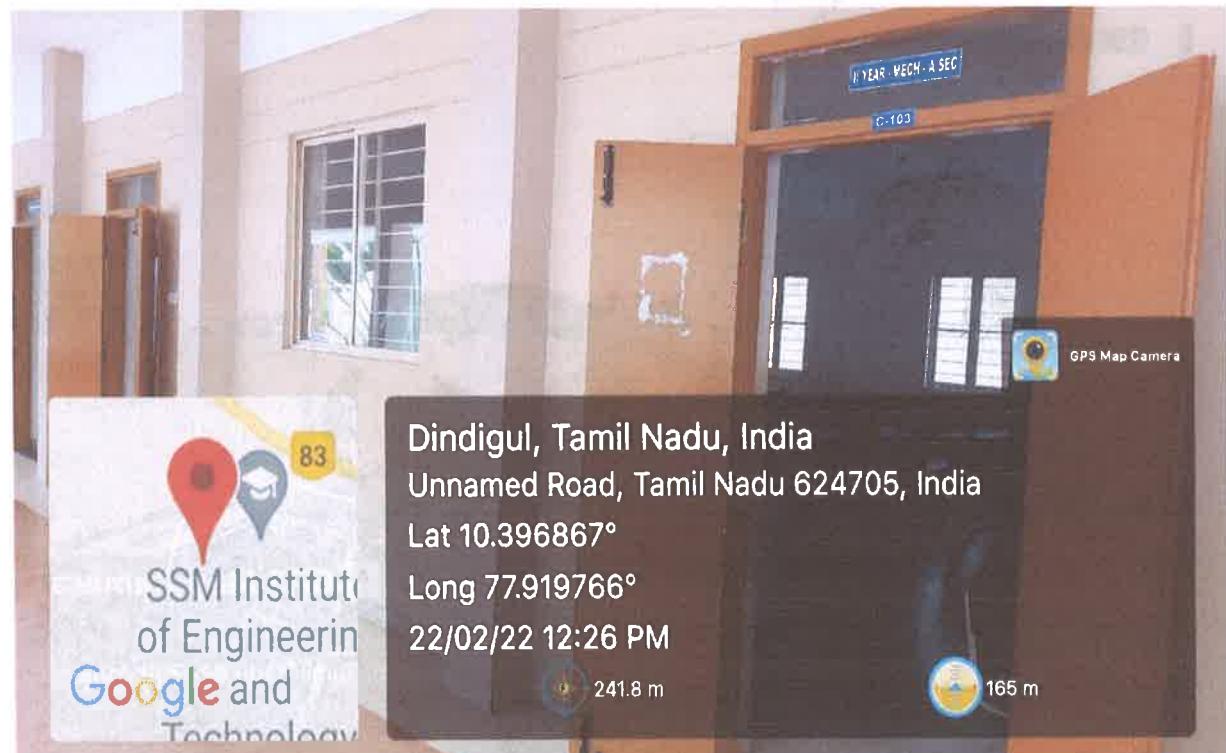

SAFETY ALARM IN LIFT

Two Separate Main Doors in Each Class Rooms for Safety Purpose

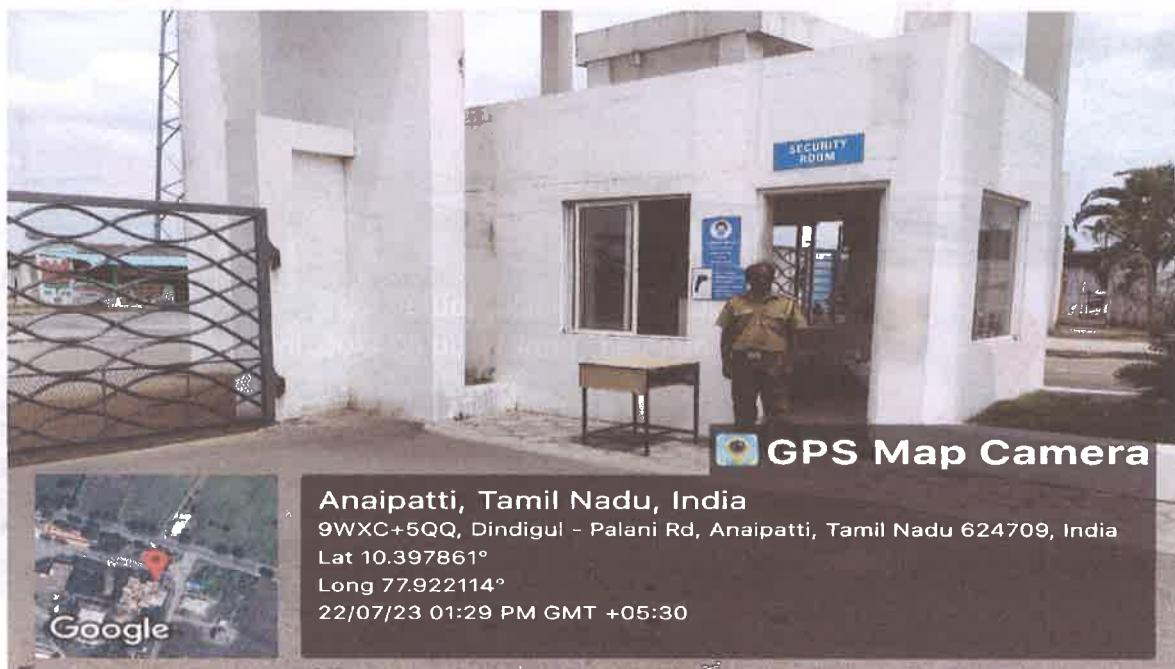

Air ventilating classrooms

Security: Exclusive deployments from security manpower and estate women staff ensure safety and security of girls and women inside the campus.

Security room Photos

Estate Men Working Photos

Well-Spaced Corridor for Safety Purpose

Safety measures Posted in each Lab:

- ❖ Fire Extinguishers are placed in proper location to steer clear of fire accidents.
- ❖ Proper training for Fire Fighting with Fire Extinguishers is provided for Lab in charge and Lab Technical Assistants.
- ❖ First Aid boxes are available in all areas throughout the Department. They are typically located in laboratory areas.
- ❖ Good ventilation: Air conditioner and fan are fitted in the lab for the computer user to be comfortable.
- ❖ Dust free environment: Collection of dusts prevented as often as possible in the computer. The floor is always being kept clean.
- ❖ Proper dress code for students was insisted.

- ❖ Damaged equipment's are identified and serviced at the earliest.
- ❖ Anti-virus software installed in all the computer system.
- ❖ Safety rules which have to be followed inside the lab are depicted as chart.
- ❖ Awareness on safety precautions were given to technical assistants.
- ❖ Servicing is made whenever there is a needy.

Counselling:

Mentoring is done for academic, personal and psycho-socio guidance to the students. Mentor is allotted for every 15 –20 students. Mentoring Book also maintained separately and individually spoke over to the children separately in the mentoring hour weekly once and resolve their queries. Professional Counsellors (Dr S. Asha mam) are available for attending specific cases on need basis.

Individual Counselling with Students

Common Room: Convenient and secluded common room is made available for girls and women faculty.

Common Room Photos

Separate wash rooms for male, female students and faculty in the academic block.

Wash room photos

Girl's Rest Room

Boy's Rest Room

Recreation rooms are available for the faculty members. Separate Hostel and mess facilities also available for girl's privacy.

Separate Girl's Hostel

Separate Girl's Mess

Spacious Corridor in Girl's Hostel

College has access to the Health Centre, Pharmacy and ambulance is available by 24X7. Napkin vending machine and incineration facility are available in ladies' hostel. Anti-Ragging committee, Anti sexual harassment committee and Women Development Cell are available for the welfare of the women.

Ambulance Facility

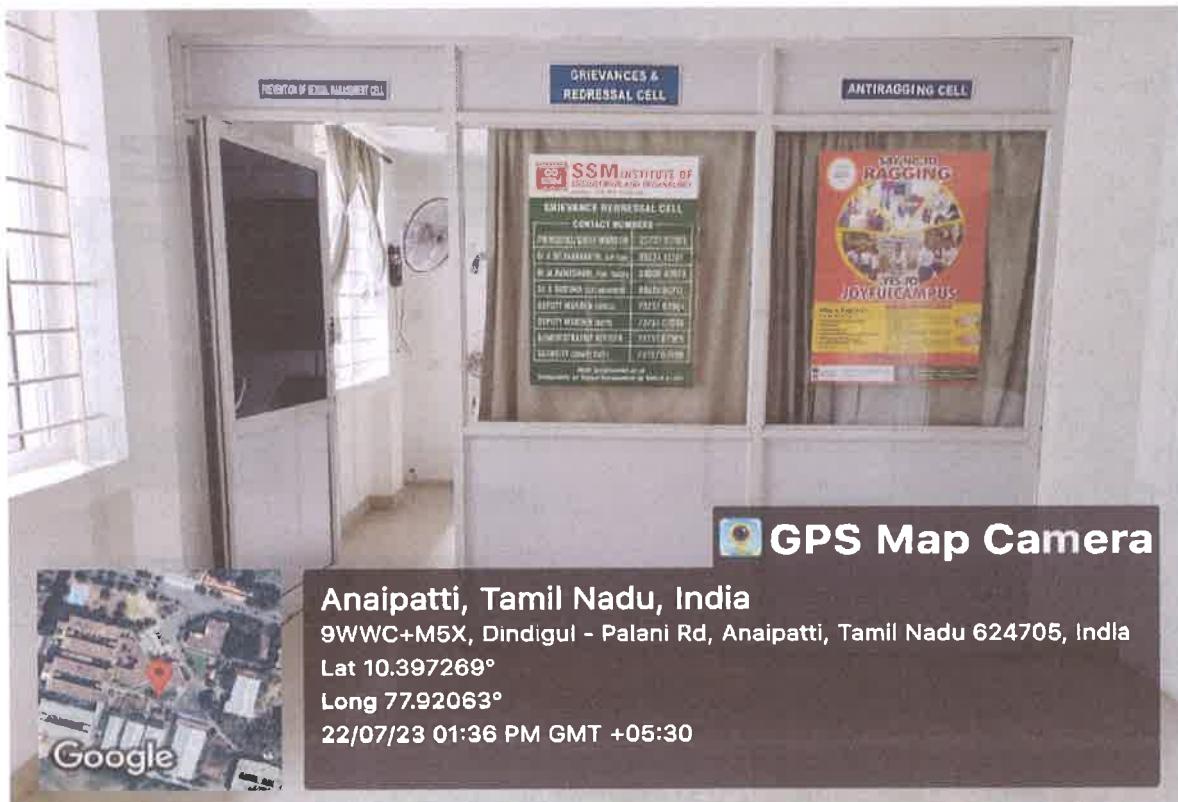

The image shows a white and red ambulance parked on a street. The word "AMBULANCE" is written on the side of the van. In the background, there is a yellow bus with the text "SSM INSTITUTE OF KUTTATHURATTI" on it. To the right of the ambulance, there is a metal structure, possibly a gas cylinder stand. The license plate of the ambulance reads "TN57 AJ7569".

YOGA CLASS

SSM Institute of Engineering and Technology, Dindigul in association with Isha Volunteer organized a yoga class on 21st, June 2023, 9:30AM to 10:45AM in the ground floor of the library building. Nearly 100 students participated in it.

Program conducted by Swami Thapomula fro Isha, Cbe and accompanied by two members from Dindigul. The programme was started formally by Dr. Senthil Kumaran, Principal of SSM institute of engineering and technology, Dindigul. NSS coordinator, YRC coordinator and the WEC coordinator together organized and it was co - ordinated by Mechanical HoD Dr. G. Sankaranarayanan.

After that, Swami Thapomula delivered the speech extolling the importance of yoga. He started the class by giving warm up exercises and games. They practises Yoganamskar and nadi suddhi pratice for 36 mints. This programme was conducted for the students which will be a trigger a whole new way of enhancing themselves.

In the end, the Principal of the college, Dr. Senthil Kumaran congratulated the NSS coordinator, YRC coordinator and the WEC coordinator for the successful organization of the yoga class and encouraged them to conduct such activities in future also.

Report on the Blood Donation Camp

The NSS unit of SSMIET organized a blood donation camp on our campus in collaboration with a blood bank, CF Hospital, Oddanchatram on September 29, 2023. The Principal Dr D.Senthil Kumaran officially inaugurated the camp. Along with his medical staff from CF Hospital, Dr. Samuvel had taken on the duty of collecting the blood from the donors. 21 students donated the blood to the needy people through the camp. Authorities complimented on the students' noble activity. A certificate of appreciation was given to each donor. The camp was coordinated by the NSS Coordinators Dr. R. Satheesh Babu and Dr.K. Ganesh, SSMIET.

Report of “Child Abuse – Rally”

On 10th August 2023, our SSMIET NSS wing took participation in “CHILD ABUSE” Awareness Rally which was conducted by Rotaract Club, Dindigul. Around 80 NSS students and 7 Faculty members participated in this rally. Our volunteers started our rally from Naidu Mahajana Mahal near SP Office, Dindigul at 9.30am. Our volunteers carried awareness boards to create awareness among people. Our volunteers reached the St.Mary's Higher Secondary School by 10.30 am. The Rotaract Club members explained the importance of Child Abuse. Finally volunteers reached our college by 11.30 am.

NATIONAL SERVICE SCHEME

Campus Beautification Campaign - Report

Beautification Campus promotes Hygiene, It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally.

The first year of NSS volunteers and interested students gathered to clean the surroundings of the individual buildings in the campus. They enthusiastically collected plastic wastes, tea cups, weeds, and dry leaves spread over the surrounding areas and they gathered all the waste and trash bags to the place where the college arranged for the removal of collected wastes. The whole cleaning drive was quite inspiring and motivating for the NSS team members.

BLS Workshop Report

Date: 20.10.23

Venue: Seminar Hall 1

Basic Life Support, or BLS, generally refers to a level of medical care which can be provided by trained medical personnel, including emergency medical technicians, paramedics, and by qualified bystanders for victims of life-threatening illnesses or injuries until they can be given full medical care at a hospital.

Expected Outcome:

1. Trainees to be introduced to basic life support, retaining fundamental theoretical knowledge.
2. Trainees to be confident in practical and technical skills when providing basic life support.

Youth Red Cross of SSM Institute of Engineering and Technology and Indian Society of Anaesthesiologists – Dindigul branch jointly organized a workshop on Basic Life Support session on 20/10/2023 from 1.30am to 3.00pm. Around 50 students of I BE actively participated and updated their knowledge on Pediatric/ adult BLS, with appropriate hands-on skills.

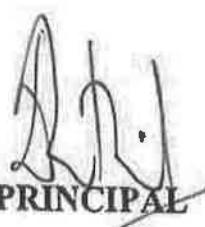

The sessions were started at 1.30 p.m, in Seminar Hall 1 with introductory session by Dr. Lakshmi K, President of DSOA. Dr. N. Sampath Kumar, Principal of SSM College of Arts and Science, welcomed the resource persons and the delegates. Dr. Kalirathinam M, Vice President of DSOA, welcomed all the participants and brief introduction about the course was given. Dr. Periyasmy S, Finance Secretary of DSOA and Dr. Karthikeyan R, Secretary of DSOA, engaged lectures on “Basic Life Support” and its Significance, methodology, various technicalities of BLS.

Later on, all the students were divided into 3 groups for hands-on training and mock drilling of the situation. Participants were initially demonstrated about life support skills over mannequin and in the groups of people were made to perform their skills in front of instructors to attain expertise. All the students were enthusiastically performed their skills and were very interactive in learning and clearing their doubts. All the students were satisfied and thrilled in knowing and learning new modality of life support in event of any disaster which they will be coming across in their duties.

The students learned the basics of resuscitation like chest compressions, adult and infant breaths, management of choking in adults and infants etc. Realistic simulations were focused on the following key concepts: proficiency in recognizing and initiating early management of periarrest conditions, of choking and the supportive care, identifying and treating, recognizing other life-threatening clinical situations such as cardiac arrest and providing initial care.

All the students thanked all the doctors for giving them opportunity to learn this new skill. Dr. Karthikeyan R, Secretary of DSOA, proposed vote of thanks and concluded the program.

Seminar on

“Entrepreneurship Development with an Innovative Digital Platform”

Date : 21.08.2023

Venue: Seminar Hall-03

Time : 10.30am-12.30pm

Target Group: Students and Faculties

Introduction:

The "Entrepreneurship Development with an Innovative Digital Platform" seminar brought together a diverse group of entrepreneurs, academics, industry experts, and students to explore the intersection of entrepreneurship and digital innovation. The event aimed to provide insights into the evolving landscape of entrepreneurship in the digital age and how innovative digital platforms are shaping this landscape.

Agenda:

The seminar was structured to offer a comprehensive understanding of the topic. The agenda included:

1. The event began with welcoming remarks from Mr. S. Vignesh Balaji, II-B.Com (PA), SSM College of Arts and Science
2. Presidential Address delivered by Dr.N.Sampathkumar, Principal, SSM College of Arts and Science. Dr.N.Sampathkumar said that in this era of rapid technological advancements, where digital transformation is reshaping industries and economies, embracing digital platforms has become not just an option, but a strategic imperative for businesses and entrepreneurs. Entrepreneurship has always been at the heart of innovation and economic progress. It is the driving force that fuels job creation, fosters innovation, and propels societies forward.
3. Introduction of the Guest of Honor given by Ms.M.Reena, SSMIET
4. Keynote Address by Mr. A. John Praveen, COE, DIGITBUSINESS SERVICES PVT LTD, Trichy.
5. Vote of thanks by Mr.B.Haraiharan, III-Mech, SSMIET

Key Takeaways:

1. The digital landscape has transformed the way businesses are conceptualized, operated, and scaled.
2. Innovative digital platforms offer unprecedented opportunities for startups to reach wider audiences and access global markets.
3. Collaborative ecosystems are essential for the growth of digital entrepreneurship, fostering innovation and knowledge exchange.
4. Data-driven decision-making is crucial for optimizing digital strategies and achieving sustainable growth.

Impact:

The seminar left a lasting impact on the participants. Attendees gained insights into the strategies and tools required to navigate the digital entrepreneurship landscape successfully. The event facilitated networking opportunities, encouraging participants to connect and collaborate beyond the seminar and also gained "Open Network for Digital Commerce" which refers to a digital ecosystem that facilitates and supports various aspects of commerce and business transactions through an open and interconnected platform. This platform enables businesses, consumers, and other stakeholders to interact, collaborate, and conduct transactions seamlessly, often leveraging digital technologies and the internet.

Future Directions:

Given the positive response and engagement from participants, there is a growing interest in organizing similar events to delve deeper into specific aspects of digital entrepreneurship and innovation. The feedback received will be instrumental in shaping future seminars and workshops to cater to the evolving needs of entrepreneurs and professionals.

In conclusion, the "Entrepreneurship Development with an Innovative Digital Platform" seminar provided a platform for thought-provoking discussions, knowledge sharing, and meaningful connections. It reinforced the notion that embracing digital innovation is not just a choice but a necessity for any aspiring entrepreneur in today's dynamic business landscape

TREE SAPLING

TREE SAPLING CEREMONY

REPORT

A world record event of Tree planting (6 lakh saplings in 6 hours) held on 23.12.2022 (Friday) at Edayakottai in Oddanchatram Taluk of Dindigul District. Tamil Nadu Food and Food Supply Department (Food and Food Supply, Consumer Protection, Price Control) Minister Mr. Inaugurated by R. Chakrapani. Two additional ministers graced the occasion by participating. More than 200 students and 19 faculty members from our college participated in it. Also, A large number of college students, public works department employees, village administrators, social welfare department employees, local municipality department officers and government officials participated in this. Local municipality department officers guided us on how to plant a sapling properly. The trees are important in environmental and ecology concern. Neem, Punga, Vagai, Kodukkapuli, Amla, Arjuna, Vengai and Atthi and various new varieties items were planted. Due to rain and water availability, 90% saplings are getting survival and people are involving in tree planting and rearing work. On that afternoon, lunch was organized for everyone by the government. Our students participated with great enthusiasm.

CHILD MARRIAGE PROHIBITION

REPORT

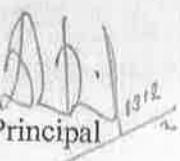

On 12.12.2022 (Monday) Mrs. S. Kausalya from Rediyar Chatrata Union office, Jhansi Rani - Admin OSC and Thavachelvi - OSC went to each class and explained in detail to the students about the problems caused by child marriage in our engineering college. This event started at 11.00 am. Around 190 students participated with great enthusiasm. Their explanation of Causes and Impact of Child Marriage are as follows :

Child marriage is no less than exploitation of right. In almost all places, the child must be 18 years and above to get married. Thus, marrying off the child before the age is exploiting their right. One of the most common causes of child marriage is the tradition which has been in practice for a long time. In many places, ever since a girl is born, they consider her to be someone else's property. Similarly, the elders wish to work out their family's expansion so they marry off the youngsters to characterize their status. Most importantly, poor people practice child marriage to get rid of their loans, taxes, dowry and more. The impact of child marriage can be life-changing for children, especially girls. The household responsibilities fall on the children. They are not mentally or physically ready for it, yet it falls on them. While people expect the minor boys to bear the financial responsibilities, the girls are expected to look after the house and family. Their freedom to learn and play is taken away. Further, their health is also put at risk due to the contraction of sexually transmitted diseases like HIV and more. Especially the girls who get pregnant at a young age, it becomes harmful for the mother as well as the baby.

At last the event finished at 01.00 pm with child marriage prohibition pledges from students.

Report on Dissemination of Red Cross Principles workshop organized by YRC at SSMIET, Dindigul

A one day workshop on Dissemination of Red Cross Principles was conducted for the academic year 2022 – 2023 at seminar hall-3 on 2nd February at 9.30 A. M. The workshop was inaugurated with the hands of **Dr. G. Shanmugam**, Dean (S&H) in the presence of **Er. N. Sheik Dawood** B.E., M.Sc., M. I. F., Vice – Chairman, Indian Red Cross Society member, Dindigul, **Mr. A. Rajaguru**, Indian Red Cross Society member, (TN MC member), **Mr. M. Syed Abuthahir**, Red Cross District Secretary, Dindigul, **Dr. R. Rajavarman**, YRC District Co-ordinator, (MKU), APA arts and culture, palani and **Dr. A. Susilamary**, Dindigul. A total of 330 I year BE students were participated along with their department faculty. The function started with ‘Thamizh thai vaazhthu’, followed by lighting of lamps by dignitaries. **Mrs. S. Hemalatha**, YRC Programme officer, issued the welcome address, with her warm heart.

Er. N. Sheik Dawood, inaugurated the workshop. **Dr. G. Shanmugam**, Dean (S&H), and emphasized on the the importance of YRC. The workshop sessions focused on the basics of Red Cross Principles, First Aid, Psychological Counseling, Disaster Management, and road safety.

Mr. A. Rajaguru in his address said that, the seven fundamental principles, road safety and emphasized the importance of Education of 16 years. He explained the history of YRC. He compared the Survival of fittest theory with Mahabharat story which was appealing.

The seven Fundamental Principles

Mr. M. Syed Abuthahir who took great pleasure in appreciating the volunteers, also cheered the students with his friendly speech. He encouraged the students to take a pledge along with him to keep the campus clean and green. Also, in his address said that the skill on first aid is very essential for the physical education teachers as there are sports related injuries occur in colleges and thanked for organizing the workshop. HE gave a crisp speech emphasizing the following points.

First aid

- The workshop sessions focused on the basics of first aid, and how to provide first aid in wounds, bleeding, musculoskeletal injury, burns, heatstroke, poisoning, bites, drowning, fainting, seizures and unconsciousness. All teachers had hands-on experience of dressing the wound, applying different types of bandages, splinting the injured body part, providing cardiopulmonary resuscitation, and transferring the victim.
- There was active participation by all the teachers and they expressed that the workshop will be very useful for them to meet the emergencies.

Dr. R. Rajavarman in his address said that psychological indicator, the importance and relationship between behaviors, thoughts and emotions, and awareness about disaster management and tricks to tackle disastrous situation.

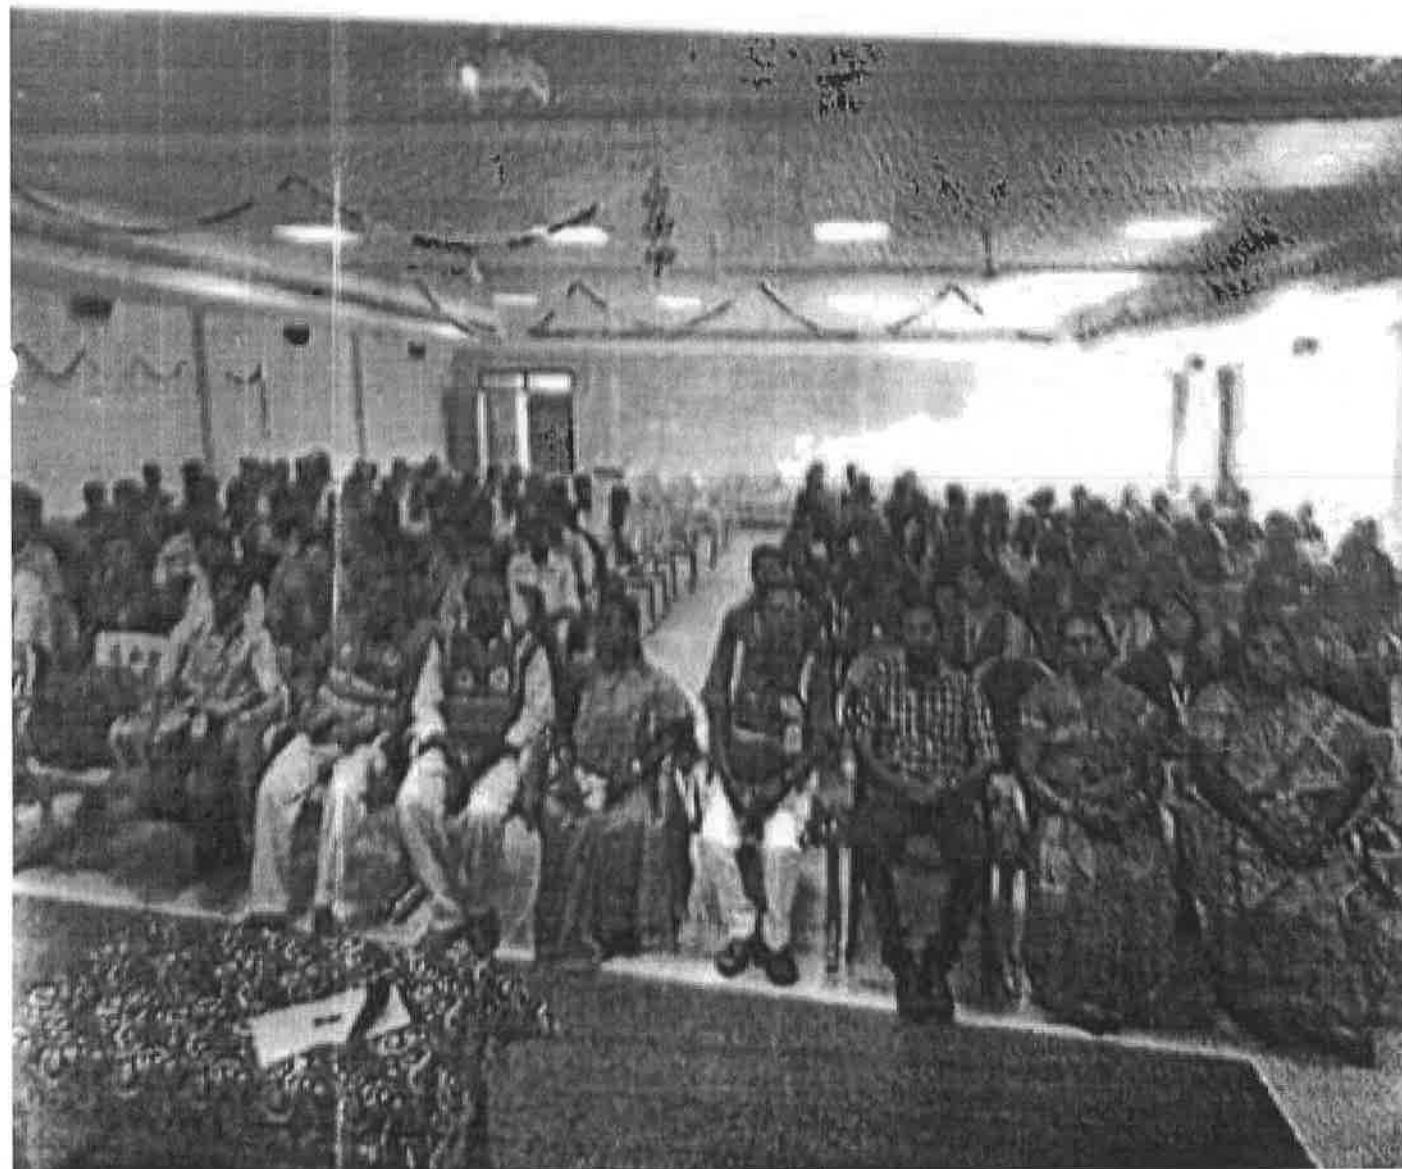

Psychological Counseling

- Life skills where its meaning and significance were explained. The objective of this activity is to build resilience and reduce stress. Participants were asked to find a relaxed comfortable position and relax their body, after which they were instructed to inhale deeply through their nostrils, hold their breath for a Sec or two and to exhale through the mouth, while they exhale participants were also asked to stretch their hands assuming of letting go of their stress and tension. The objective of the activity was to help the participants know different physical & psychological indicators while expressing emotions, and also to help them understand the importance and relationship between behaviors, thoughts and emotions.

- The seven Fundamental Principles – humanity, impartiality, neutrality, independence, voluntary service, unity and universality – are the most important of these tools. They serve both as an inspiration – an ideal to strive for – and as practical steps to take to achieve that ideal in times of peace, armed conflict or natural disaster. They call on us to help those most in need first, regardless of their political affiliation, race or religion, and they make this possible by providing guidance on gaining the trust of people in all these circumstances.
- When the principles are understood and followed, Movement volunteers and staff generally find that people let them carry out their work to help those in need, even during conflict.
- The Fundamental Principles are also an expression of the values and ideals around which the Movement is united. Above all, the Principles are a call to action for Movement volunteers and staff, compelling us – as the Principle of humanity describes – to “prevent and alleviate human suffering wherever it may be found”.

Road safety

- Road safety is a safety measure to reduce the risk of road accidents and road side injury because of the mistakes of people while driving on the road. We cannot count the daily road side accidents and death of people because of the driving mistakes and lack of road traffic rules followers. Every person going on the road has risk of injury or death. Everyone needs to be well aware of the road traffic rules especially children and young people who are at significant road accident risks. It is found that most of the hospitalization cases and leading cause of death are because of the road trauma. Road safety is very necessary while being on the road and must know by all because road accidents are the leading cause of death. Everyone should learn the road traffic and safety rules at a very early age to perform safer behaviours in the later life.
- To create awareness on road safety among students and faculties. ♦ To understand the importance of a road safety and make aware about the importance of their and others life.
♦ To motivate the students and faculties to follow road safety.

One-on-One session with

Dr. S.Aasha, Ph.D.,Psychologist and Therapist,ZEN Counseling and Therapy Center, Madurai

Dates:18.12.2021 to 27..12.2020 (Alternate Days)

Session Timings :9.30am-3.00pm

The counselling process is, in many ways, is like an educational experience. The individual can learn more about him/herself, but also acquires new skills. Sometimes, counselling involves learning more about a particular condition (e.g., depression, anxiety, eating disorders) by which the person is affected, so that he/she can better understand treatment options. Below are some examples of what faculty can gain from personal counselling:

- improved interpersonal skills
- greater self-acceptance and self-esteem
- ability to change self-defeating behaviours/habits
- better expression and management of emotions, including anger
- relief from depression, anxiety or other mental health conditions
- increased confidence and decision-making skills
- ability to manage stress effectively
- improved problem-solving and conflict resolution abilities
- greater sense of self and purpose
- recognition of distorted thinking

**One-on-One meeting with Dr. S.Aasha,

Madurai

Submitted to
The Principal,
SSM Institute of Engineering and Technology,
Dindigul.

SSM Institute of Engineering and Technology, Dindigul

The table below shows the findings of the counselling session.

Department	No. of Faculty counselled	Preparedness during pandemic	New initiatives in TLP	Self Development Measures	Multifaceted Tasks	Overall suggestions
Auto	2	2	2	2	1	Need to develop self esteem
Civil	5	5	5	5	5	They are good at their work. They need ideas and motivation to improve their level in excellence
CSE	8	5	8	6	4	They need to develop interpersonal skills/ sharing/ self-motivation/ teamwork
ECE	21	21	15	15	13	They need to develop interpersonal skills/ teamwork/ emotional stability/ work life balance.
EEE	9	7 (2 were new)	9	8	8	Most of the are good in teaching and relationship with the students.

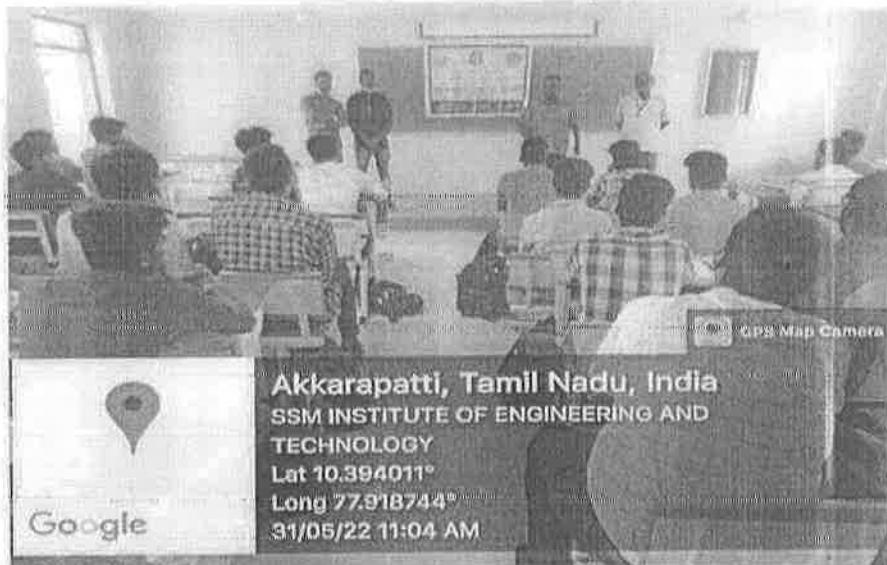

Mech	14	14	14	12	11	Most of the Faculty are highly energetic. They are using a lot of innovative methods.
Math	8	8	7	4	5	They need to develop interpersonal skills/ work life balance.
Physics	2	2	2	2	2	The Faculty showcase good dynamics
Chemistry	3	3	3	2	3	All Faculty have positive attitude towards students.
English	3	3	3	2	3	Need to develop ideas and methodologies to help students' development.
Library	1	1	1	1	1	None
PD	1	1	1	1	1	None

Analytical Report:

Following are the findings from the sessions with the Faculty.

- All the Faculty are effectively handling online classes during the pandemic period.
- All the Faculty are open to ideas for effective teaching.
- 46% of the Faculty in various departments are already using innovative ideas in the teaching.
- 75% of the Faculty are having multitasking capabilities. They are able to handle personal and workplace issues effectively.
- 25% of the Faculty are having issues balancing work and personal life.

Blood Donation Camp (23.03.2022)

BLOOD DONATION

Blood Donation Camp

A great initiative of organizing a blood donation camp was taken by SSM Institute of Engineering and Technology, Dindigul, on 23rd march 2022, Wednesday on the college campus by the NSS and YRC Unit of the college.

A group of 2 doctors and 4 nurses who were from Kannivadi health Centre and Dindigul Govt. hospital offered their valuable services for conducting the camp. The donors were asked to fill a medical form to give details about their health related information. Before the donation, checking weight, pressure and body temperature were measured so that the one donating blood does have to face further.

Before donating blood, everyone ate fruits and drank juice. After that, a high grade doctor gave a speech on the advantages of blood donation. The program was held in the Library ground floor of the college.

The one donating blood was taken to the relaxation room for the rest of a few minutes and given certificates and refreshments. The professors of the respective departments along with the principal took part in this great program organized by the college.

A total of 25 units of blood was collected and the program went till 1.30 pm. The college cooperated greatly with the medical team and was provided with the afternoon lunch.

The Principal acknowledged the college authority and the college NSS and YRC Unit for such great initiative and said to have more such programs. The students and teachers were asked to share their views about their feeling of blood donation by the covering media channels and were printed the next day on the newspaper columns.

Covid-19 vaccination camp on 29.01.2022

COVID-19 Vaccination Camp-Report

Date: 29.01.2022

Time: 11.00 a.m.

According to the suggestions of Dr. Senthil Kumaran, Principal of SSM institute of engineering and technology, Dindigul, NSS Department and YRC together organized Vaccination to provide timely benefits of vaccine to the students. This vaccination camp was organized for the persons aged 18 years and above in which mainly college students, staff and family members participated and got immunization done. During this all protective measures related to Covid-19 were adopted. The Principal of the college, Dr. Senthil Kumaran said that if we want to defeat corona, then it is necessary to get ourselves and our family vaccinated, vaccine is your protective shield to fight the corona epidemic. He said that by developing a collective immunity by getting more and more vaccinations, we will be able to save the society from the coming danger of corona in future. Apart from this, habits like Covid style like mask, two yards, hand and mouth cleaning are very important even after vaccination. In this vaccination camp, as per the instructions of Dr. Dharini, the in-charge of Anumandarayan Kottai , Primary Health department and his team were vaccinated against Covid Vaccine. Around 50 people were vaccinated under this camp, which was encouraging for the organizers of the camp. In the end, the Principal of the college, Dr. Senthil Kumaran congratulated the NSS coordinator and the YRC coordinator for the successful organization of the camp and encouraged them to conduct such activities in future also.

Webinar on “Breast cancer Awareness program”

Dr. Sathish Srinivasan,MD,DNB

Date: 10.10.2020

Session Timings :12.30PM-1.30PM

An online webinar on "Breast Cancer Awareness Program" has been conducted for girl students and faculty members and was presented by a resource person, Dr. Sathish Srinivasan, MD, DNB, consultant radiation oncologist, Apollo Speciality Hospitals, Madurai on 10 October 2020 | 12.30 PM – 1.30 PM.

The Women Empowerment cell and Rotaract club of SSMIET, in association with Apollo hospitals, Madurai, organised an online webinar. Dr. Sathish Srinivasan delivered the lecture regarding breast cancer.

The resource person explained the symptoms of breast cancer. Breast cancer is the most common cancer in Indian urban women. He also explained that the best approach for a patient with breast cancer to take is to resolve that she will do whatever it takes to be successful in her battle against the disease. How can we recognise the early warning signs of breast cancer? A painless lump (mass) in the breast or axilla. Recent thickening of any part of the breast or axilla. Bloody In-drawing of the nipple or skin of the breast.

He also explained that the common breast cancer symptoms include: a lump or swelling in the breast, upper chest or armpit; you might feel the lump but not see it; a change in the skin, such as puckering or dimpling; a change in the colour of the breast – the breast may appear red or inflamed, or even if the nipple changes. For example, it has become pulled in, rash or crusting around the nipple, any unusual liquid (discharge) from the nipple, or changes in the size or shape of the breast.

This one hour online course was very useful and was very informative for the girl students and female faculty members.

URGENT

DEPARTMENT OF TECHNICAL EDUCATION

From

To

The Director,
Directorate of Technical Education,
Guindy,
Chennai 600 025.

The Principals of all Engineering Colleges
implementing NSS

Lr.No.19055 / NSS / 2019-1 dated 23.8.2019

Sir / Madam,

Sub: Technical Education – NSS – "Fit India" Movement Launching
by Hon'ble Prime Minister of India on 29.8.2019 at New Delhi –
Administer Fitness Pledge to all the Students studying in
Educational Institutions – Reg.

Ref: 1. Letter No.14065 /A2 / 2019-1 dated 22.8.2019 from Higher
Education (A2) Department, Secretariat, Chennai.
2. Instructions received from Hon'ble Minister for Youth Affairs &
Sports, Government of India through Video Conference on 23.8.2019.

With reference to the above mentioned subject, I wish to inform that the Higher Education Department has referred to the letter received from the Secretary, Ministry of Human Resource Development, Government of India and intimated that Honorable Prime Minister of India would be launching "Fit India" Movement on 29th August, 2019 at Indira Gandhi Indoor Stadium, New Delhi to inculcate physical activity / sports into daily life of citizens in general and the students community in particular.

Further, the Honorable Minister for Youth Affairs & Sports, Government of India during the interaction with the Secretaries of all States looking after Sports & Youth Welfare / Education Departments through Video Conference on 23rd August, 2019 has appealed to all the functionaries working with the students, youth and the community to extend full support for the successful launching of "Fit India" Movement by Honorable Prime Minister of India. The Honorable Minister also requested to ensure the following with regard to the launch of Fit India Movement Programme.

1. All Universities / Directorates / Colleges functioning in the State may make arrangements for all the students to view the Live Telecast of the "Fit India" Movement Launch on 29th August, 2019 on Doordharshan.
2. All the Students studying in the Universities / Directorates / Colleges and Staff Members have to take the Fitness Pledge, which would be administered by the Honorable Prime Minister of India on 29.8.2019, during launching of "Fit India" Movement.

Therefore, the Principals are requested to take necessary immediate steps to make arrangements for all the students studying in the campus to view the launching of "Fit India" Movement and also administering the Fitness Pledge to all the students in the campus, when the Fitness Pledge is administered by the Honorable Prime Minister of India on 29.8.2019 at 11.00 a.m. at New Delhi. Further, the Principals are requested to advise the NSS Programme Officer to forward the action taken report, video clipping along with photographs of students & staff taking the Fitness Pledge on 29.8.2019 to the undersigned by mail (tae_dte@yahoo.co.in) for compilation and onward transmission to Government.

For Director of Technical Education

Entrepreneurship Development Cell

CIRCULAR

08.11.2019

This is to inform all the faculty members that a one day FDP on Effective mentoring is scheduled by Entrepreneurship Development Cell to be conducted on the below mentioned dates. All the faculty members are required to attend this FDP and get benefitted.

"Become a True Mentor" – A one day FDP on Effective Mentoring

Slot One : 30.11.2019 (Faculty members with experience below 8 years)

Slot Two : 07.12.2019 (Faculty members with experience 8 years and above)

Session 1

- Need of True Mentors today
- Characteristic features of Gen Z
- Conflicts between Millennial and Gen Z
- Starting of dialogues
- Overcoming the Barriers
- Attainment of Mutual Trust
- Co-working procedures
- Attributes of Engineering Teacher as a Mentor

Session 2

- Understanding the self to act as a mentor
- Philosophical inputs
- Psychological understanding
- Scope for Practical Interaction
- Handling day to day affairs
- Confidence building
- Group exercise

Session 3

- Realistic acts of a Mentor
- Parameters of Mentoring (in context to HEI)
- Possible measurements of the mentees
- Intervention and follow up Strategies
- Documentation and Reviews
- Closing the Loop
- Group activity with questionnaire

Session 4

- Questions and answers
- Panel discussion
- Valediction

Day 1 - 18.01.2019

Inauguration of Entrepreneurship Awareness Camp

Session I

Inauguration - Why Entrepreneurship (general concepts) - Mr.A.Annadurai, President, Dindigul District Micro and Small Enterprises Association.

Session II

Camp Objective, Historical background-Indian values vis-a-vis Entrepreneurship and the present scenario - Mr.A.Annadurai, President, Dindigul District Micro and Small Enterprises Association.

Session III

Identification of Business opportunities and Mechanism of product selection - Mr.S.Dhamodharan, AP/ECE, SSMIET

Session IV

Technology-assistance from R&D labs and others on choice of technology etc - Mr.S.Dhamodharan, AP/ECE, SSMIET

Day 2 - 19.01.2019

Lectures by Experts

Session I

Financial aspects of SSI unit including salient features of a project report - Ms.M.Radhika, Chartered Accountant Dindigul.

Session II

Schemes of assistance and support available from Govt. agencies, banks, financial institutions, SEFs, etc - Ms.M.Radhika, Chartered Accountant, Dindigul.

Session III

How to start a SSI unit (General concept about the Govt. formalities, rules & regulation, location, and different aspect of an industrial venture) - Mr.V.Mohantam, Programme Officer, Centre for Entrepreneurship Development (Tamil Nadu), Madurai.

Session IV

Technology & commercial Aspects of SSI unit (General concept only) - Mr.K.R.Gnanasambandan, Aathma Academy, Educational and Vocational Training Organization, Madurai.

Day 3: 20-01-2019

Industrial Visit and Valedictory Function

Session I

Creativity and business - the man behind the venture -the behavioural scientist's approach - Dr.R.Chandran, Campus Director, SSMIET

Session II

Communication skills for better results - Mr.J.Srinivasan, ASP/English, SSMIET

Session III

Factory visit and experience sharing by existing entrepreneur - Mr.S.Dharmodharan, AP/ECE, SSMIET

Session IV

Feedback and discussion on the camp factory visit - Dr.R.Chandran, Campus Director, SSMIET

"Dissemination of Red cross principles"

Report on Dissemination of Red Cross Principles workshop organized by YRC at SSMIET, Dindigul

A one day workshop on Dissemination of Red Cross Principles was conducted for the academic year 2018 – 2019 at seminar hall-1 on 1st August at 10.00 A. M. The workshop was inaugurated with the hands of **Mr.N.M.B. Kaja Mohideen**, Chairman, IRCS, Dindigul presence of **Er. N. Sheik Dawood** B.E., M.Sc., M. I. F., Vice – Chairman, Indian Red Cross Society member, Dindigul, **Mr. A. Rajaguru**, Indian Red Cross Society member, (TN MC member), **Mr. M. Syed Abuthahir**, Red Cross District Secretary, Dindigul, **Dr. R. Rajavarman**, YRC District Co-ordinator, (MKU), APA arts and culture, palani and **Dr. A. Susilamary**, Dindigul, **Mr. P. Jothi Murugan**, Vice president, **Mr. M. Ismath**, Joint Secretary, IRCS, Dindigul, **Mr. D. Herald Jackson**, Joint Secretary, IRCS, Dindigul, **Er. K. Manivannan**, Hon. Treasurer, IRCS, **Mr. N. Chinraj**, Joint Secretary, IRCS. A total of 330 I year BE students were participated along with their department faculty. The function started with ‘Thamizh thai vaazhthu’, followed by lighting of lamps by dignitaries. **Mr. G. Shanmugam**, YRC Programme officer, issued the welcome address, with her warm heart.

Er. N. Sheik Dawood, inaugurated the workshop. Dr. G. Shanmugam, Dean (S&H), and emphasized on the the importance of YRC. The workshop sessions focused on the basics of Red Cross Principles, First Aid, Psychological Counseling, Disaster Management, and road safety.

Mr. A. Rajaguru in his address said that, the seven fundamental principles, road safety and emphasized the importance of Education of 16 years. He explained the history of YRC. He compared the Survival of fittest theory with Mahabharat story which was appealing. Also, he has an interaction with 65 students with the concept of fundamental principles of Red Cross Principles such that Humanity, Impartiality, Neutrality, Independence, Voluntary service, Unity, Universality.

The mandate of the youth red cross movement is to prevent alleviate human suffering protect life and human and health and to ensure respect for human dignity, in times of armed conflicts and other emergencies.

Mr. M. Syed Abuthahir who took great pleasure in appreciating the volunteers, also cheered the students with his friendly speech. He encouraged the students to take a pledge along with him to keep the campus clean and green. Also, in his address said that the skill on first aid is very essential for the physical education teachers as there are sports related injuries occur in colleges and thanked for organizing the workshop. He gave a crisp speech emphasizing the importance of first aid.

CLASS COMMITTEE MEETING - II

Minutes of the Meeting

Class committee meeting-II was conducted for IV B.E EEE students on 27.10.2023 (Friday) between 12.15 P.M to 12.45 P.M in EEE department meeting hall with the following members.

Observer 1 : Dr.V.Sivakumar, HoD/EEE

Observer 2 : Dr.M.Rameswari, Division Head/Mathematics

Convener : Mr.D.Manoj, AP/EEE

Student Members - Present:

1. U. Dineshkumar
2. T. Geethanjali
3. P. M. Balaji
4. M. Mariaraj
5. V. Tamilselvan
6. H. Thirsath Daniel
7. S. Preethi
8. R. Sharan Kailash

Faculty members - Present:

1. Mr.P. Sivasubramanian, AP/EEE
2. Mr.G. Satheesh kumar, AP/EEE
3. Dr.T. Arul kumar, AP/EEE
4. Mrs.P. Mohana karthiga, AP/EEE
5. Mrs.T. Ranimangammal, AP/CSE
6. Mr.M. Kalidasan, AP/EEE

Points Discussed:

Sub Code & Name	Name of the Faculty	Syllabus Completion	Study Materials	Suggestions from Students	Suggestions from Faculty	Action taken	Signature of the faculty
EE8701-HVE	Mrs.P.Mohana Karthiga AP/EEE	4 ½ Units Completed.	Books are provided.	Teaching method is good and satisfactory.	-	-	P.J.Lawer
EE8702-PSOC	Mr.G.Satheesh kumar AP/EEE	4 ½ Units Completed.	Books are provided.	Teaching method is good and satisfactory.	-	-	P.J.Lawer
