SCIFEST-2022

Date: 07.05.22

Born Genius Ramanujan-Math Club and Young Innovators Club jointly organize SCIFEST-2022. The purpose of this event is to showcase and enhance the skills of the students. Both Technical and Non-Technical events have been conducted. Each event was guided by the faculty team. Each student can participate in maximum 3 numbers of events.

S.No.	Technical Events	S.No.	Non – Technical Events

Report on “National Science Day – 2022”

Seminar	: Impact of Mathematics in Engineering Education
Chief Guest	: Shri. C.S. Veeraragavan, Author of HR SEC MATHS TEXTBOOKS OF TNSCERT, Correspondent & Post Graduate Teacher (Mathematics), Sri Krishna Matriculation Higher Secondary School, Coimbatore - 25
Date	: 28.02.2022
Venue	: SSMIET, Seminar Hall 1
Organized by	: Born Genius Ramanujan Math Club & Young Innovators Club
Participants	: Engineering and S&H Faculty
Time	: 9.30 a.m. to 4.30 p.m.

Program Co-ordinators:

1. Dr. J. Abraham Hudson Mark, AsP/ Physics
2. Mrs. R. Janani, AP/ Mathematics

As a part of the celebration of “National Science Day – 2022” in our institution, a seminar on “**Impact of Mathematics in Engineering Education**” was conducted on 28.02.2022 and it was jointly organized by “Born Genius Ramanujan – Math Club” and “Young Innovators club”.

The session covers the topic related to

- A framework that integrates technology into the teaching-learning process
- Methods with examples to teach Mathematical concepts using counter examples
- Interaction between content knowledge, pedagogical knowledge, and technological knowledge.
- Games are the best means of learning mathematics with fun.
- Learning mathematics through projects brings life to the college atmosphere.
- Provide individualized mathematical review material in an interactive online system. (quizzes, videos, review notes, animations practice problems, etc)
- Python engineering animations: Bring math & data to life
- Teaching Differential Equation
- **Software Tools:** Microsoft Math solver , Free Universal Algebra Equation Solver, MAXIMA, xFunc, SpeQ Mathematics, GAP, Euler Math Toolbox, Cadabra, Math Mechanixs, Scilab, Gnuplot, Geogebra, Sagemath, GNU Octave.

COVID-19 Vaccination Camp-Report

Date: 06.09.2021

Time: 11.00 a.m.

According to the suggestions of Dr. Senthil Kumaran, Principal of SSM institute of engineering and technology, Dindigul, Rotaract Club & NSS Unit together organized Vaccination to provide timely benefits of vaccine to the students on September 06th & 07th 2021. This vaccination camp was organized for the persons aged 18 years and above in which mainly college students, staff and family members participated and got immunization done. During this all protective measures related to Covid-19 were adopted. The Principal of the college, Dr. Senthil Kumaran said that if we want to defeat corona, then it is necessary to get ourselves and our family vaccinated, vaccine is your protective shield to fight the corona epidemic. He said that by developing a collective immunity by getting more and more vaccinations, we will be able to save the society from the coming danger of corona in future. Apart from this, habits like Covid style like mask, two yards, hand and mouth cleaning are very important even after vaccination. Around 20 people were vaccinated under this camp, which was encouraging for the organizers of the camp. In the end, the Principal of the college, Dr. Senthil Kumaran congratulated the Rotaract Club coordinator and the NSS coordinator for the successful organization of the camp and encouraged them to conduct such activities in future also.

Blood Donation Camp

A great initiative of organizing a blood donation camp was taken by SSM Institute of Engineering and Technology, Dindigul, on **23rd march 2022**, Wednesday on the college campus by the NSS and YRC Unit of the college.

A group of 2 doctors and 4 nurses who were from Kannivadi health Centre and Dindigul Govt. hospital offered their valuable services for conducting the camp. The donors were asked to fill a medical form to give details about their health related information. Before the donation, checking weight, pressure and body temperature were measured so that the one donating blood does have to face further.

Before donating blood, everyone ate fruits and drank juice. After that, a high grade doctor gave a speech on the advantages of blood donation. The program was held in the Library ground floor of the college.

The one donating blood was taken to the relaxation room for the rest of a few minutes and given certificates and refreshments. The professors of the respective departments along with the principal took part in this great program organized by the college.

A total of 25 units of blood was collected and the program went till 1.30 pm. The college cooperated greatly with the medical team and was provided with the afternoon lunch.

The Principal acknowledged the college authority and the college NSS and YRC Unit for such great initiative and said to have more such programs. The students and teachers were asked to share their views about their feeling of blood donation by the covering media channels and were printed the next day on the newspaper columns.

Health Checkup Camp

A great initiative of organizing a free health checkup camp by "Makkalai Thedi Maruthuvam" was taken by SSM Institute of Engineering and Technology, Dindigul, on 06th & 07th May 2022, on the college campus by the NSS Unit of the college.

A team of 2 nurses who were from Saveriyarpalayam, Urban Primary health Centre offered their valuable services for conducting the camp. They checked Blood pressure and Sugar freely.

A total of around 80 faculty members and around 120 students from all the branches were checked their Blood Pressure and Sugar level. The college cooperated greatly with the medical team and was provided with the afternoon lunch.

The Principal acknowledged the college authority and the college NSS unit for such great initiative and said to have more such programs.

D.S.K

Report – World No Tobacco Day

On the 31st of May 2022, An awareness programme in our college premises was organized by the authorities and some students who volunteered. The program began with the Principal giving a welcome speech. We addressed the everyone present there and gave a small speech on the event. He spoke on the ill effects of tobacco and its addicting effects. A debate was also held on the topic " No Tobacco" for the students. They came up and spoke for and against the topic.

At the end of the programme a speech was given by the chief guest Mr.Oliver, Union Health Centre, Kannivadi who spoke on the ill effects of Tobacco , the fatal disease it causes, the addictive nature of cigarettes. At the end the students learnt how harmful cigarettes are for students and our health in the long run is more important than being cool or popular.

Awareness Programme on Homoeopathy to school going Children in Tamil nadu

1. Introduction

-Concept Note-

The 21st century is very expeditious, making life easy with innovations and advancements in every field of life. So, it becomes necessary to gain information and awareness on health with other contemporary knowledge. Children are considered to be the future trend setters; proper education and awareness will definitely nurture and stimulate them effectively. India has the world's largest child population, about 40% of the total population. The young school going children are the proprietor of mind with creativity and productivity.

It is easy to nurture young minds by inculcating new ideas and witness its benefits in the future through their behavior. Creating awareness among school going children will create a great impact on family as well as friends. The Homoeopathy system of medicine famously known as sweet pills though used by most of the people of all age group, there is yet another population unaware about this system of medicine. The Ministry of AYUSH, Govt. of India has developed many schemes and programmes to create awareness about Indian system of Medicine and Homoeopathy(AYUSH)among the general population through various medium. Capturing the attraction of the Young buds plays a vital role for development of the system. As it can inspire the young minds to develop better ideas about the alternative system of medicines, benefits including scope and limitations of complication free Homoeopathic system and choose the career in path either to support or develop the system.

The fundamental reasons for involving the school students:

- Present-day students will be tomorrow's beneficiaries.
- By understanding the status of health systems available in the country students could develop a sense towards its development.
- Students have a role in utilizing their creativity, technologies, and inter-connectedness to bring innovative ideas for development of the system for therapeutics, education or research.
- For the empowerment and wellbeing of young people.

Sarada Krishna Homoeopathic Medical College, Kulasekharam is regularly conducting School Health programmes and Health education programmes as part of its community programme (extension activities). Its services continued

as preventive and curative health care services during the outbreak of COVID-19 Pandemic. Government of India as part of its celebration of India's 75th Independence "AzadiKaAmritMahotsav" intoralia issued guidelines for conducting AYUSH related activities by associating 75000 schools across the nation to spread AYUSH systems of Medicine and AYUSH medical streams. As per the direction of National Commision for Homocopathy and Ministry of AYUSH, Sarada Krishna Homoeopathic Medical Collegehas decided to conduct Awareness Programmes on Homoeopathy among Primary, Middle and Senior Secondary School children in collaboration Regional Co-ordinating Institute, Unnat Bharat Abhiyan – The Gandhigram Rural Institute.

2. Objectives

- To make the students to aware about the basics of AYUSH systems of Medicine and AYUSH Medical streams.
- To create awareness about benefits and strengths Homoeopathic system of Medicinein patient care.
- To develop young creative ideas for innovative technology based development of the system and foster health conscious culture in the society.
- To disseminate knowledge about Health care services like AYUSH and Homoeopathy.
- To explore and utilize the profound health benefits of Homoeopathy.

3. DurationoftheProgramme

The duration of the Programmesshall be one year, from 15.08.2021 to 14.08.2022 through online medium.

4.Methodologyofthe Programme

The Programme is designed for the students of Primary, Middle and Senior Secondary Schools in Tamilnadu. Details of the students to the associated and consent of the concerned schools have to be collected.

The Subject experts from Sarada Krishna Homoeopathic Medical College - Faculty Members, PG scholars and Interns will beorganizing the awareness programme with the technical support of Regional Co-ordinating Institute, Unnat Bharat Abhiyan – The Gandhigram Rural Institute to create awareness about AYUSH and Homoeopathy all over Tamilnadu. The Programme consists of (1) Getting permission from the District administrator(2) discussion with the teachers & Head masters(3)2 hours onlin

session on Homoeopathy among middle and senior secondary school children covering various aspects of Homoeopathy – Introduction to AYUSH & Homoeopathy, Benefits of Homoeopathic system of Medicine, Present scenario of Homoeopathic system, Homoeopathic health care dissemination, New ideas to promote Homoeopathy for day to day health issues [learner centrically designed]. The reports of the programme conducted will be submitted weekly to the Head of the Institution.

5. LearningOutcomes:

This Programme gives importance to create awareness to school children about Homoeopathy in the field of Therapeutics, Education as well as Research. Involving PG scholars and Interns of the College will improve social responsibility and community engagement among the future Health service providers.

After completing this programme, it is expected that, the students will be able to:

- ✓ gain knowledge about AYUSH and Homoeopathy.
- ✓ get idea about benefits of Homoeopathic medicine, dissemination of Homoeopathic system of medicine.
- ✓ understand the present scenario of AYUSH and Homoeopathic system of Medicine.
- ✓ choose suitable system for the treatment of their illness
- ✓ promote Homoeopathy system of Medicine to others by understanding its scope and limitations for day to day health issues.
- ✓ get confidence and hope to take Homoeopathic medicine
- ✓ select a career in Homoeopathy with courage

After completing this programme it is expected that, the Students involved in organizing and conducting the awareness programme will be able to:

- ✓ foster a sense of social responsibility and empathy for the community.
- ✓ understand their role in Homoeopathic health care services dissemination
- ✓ gain an understanding of social realities
- ✓ understand the missing link
- ✓ identify opportunities for the development of Homoeopathic system of Medicine.

UBA (Unnat Bharat Abhiyan) Programme

Submitted to the Principal for kind approval

Sub: Sri Sakthi Trust Field Visit – Ayyampalayam – Reg.

I wish to bring to your kind notice that we are planning to conduct a field visit for our students in collaboration with UBA /SSMIET and Sri Sakthi Trust from 25.04.2022 to 30.04.2022. In this connection, in our college, six batches (each with 50 students) of I, II and III year students are in association with UBA were identified. Herewith we attach the details of the programme, tentative dates and schedule for the field visit. Hence, approval may kindly be given to initiate the field visit to Sri Sakthi Trust.
