## Technical Talk on “Career Guidance in Recent Technologies”

By Mr. P. Thiagarajan, Business Development Manager, Blue Bell Info, Madurai

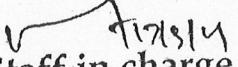

Date: 12-09-2019

Session Timings: 3.00 -4.35 P.M

The session is handled by Mr. Thiagarajan, Business Development Manager, who made immense effort among students to clarify what are the vast jobs available in current scenario .He started with the technical side, where there are lots of opening for the network administrator, Broadcast engineer.

He also added the point that AIR (All India Radio) about to recruit graduates with engineering back ground and he highlighted the importance of network administration, Ethical hacking which is currently thriving field. This ethical hacking includes three hats such as white hat, Black hat, and Gray hat. The White hat hackers are computer security specialist who breaks into a protected system to test and access their security. A Black hat hacker may exploit and collapse the whole administration system. The gray hat hackers don't work for their personal gain but they technically committed towards the nature of work if needed.

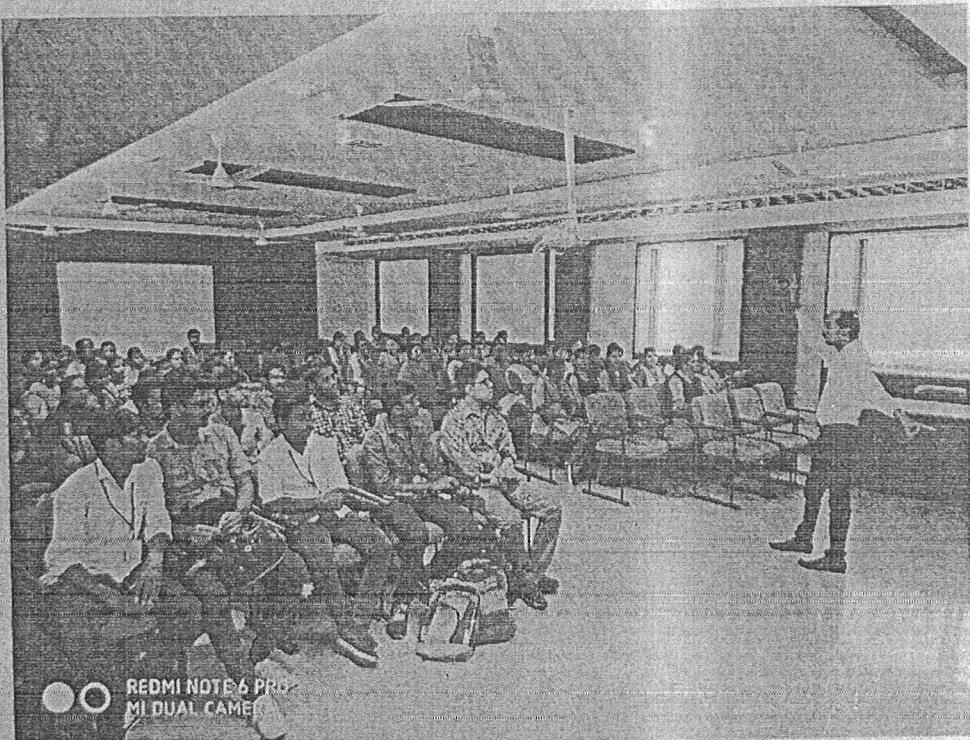

He also guaranteed to Final year students that plenty of jobs available in the APPTIVO SOFTWARE COMPANY, Madurai for every fresher. He insisted the students to improve their knowledge in all the programming languages such as advanced Java, PHP, and Dot net, embedded c. The most importantly, he gave a great view of the Cisco certification course. He also gave several ideas for final year project. Finally, he encouraged the students to develop their soft skills, personal skills and involvement towards their job.
