Circular

15.03.2022

As per direction given from principal sir, 60 hours placement training was given to all the final year students in Nov/Dec 2021. In addition with this, it is planned to conduct technology oriented training to all the final year students.

As an initiative for technology oriented training, Rius Technology will conduct technical lecture on “Data Analytics using Python” for final year students on 18.03.2022 in offline mode for ECE, EEE, CSE and Mech Students. Interested students are requested to attend the program.

Training and Placement Cell

Training and Placement cell organized Technical Lecture on Data Analytics using Python, SAS Platform on 18.3.2022 ,session timings-10.00 am -12.30 pm. Around 79 final year students from ECE,EEE,MECH,CSE participated and got benefitted. This programme is focused on enriching student knowledge in current Technologies.All the students were participated with great interest.

The technical session is handled by Mrs.R.Padmashree,Director,Rius Technology,Chennai. she started with the technical aspects of Data Management ,advanced analytics,Python Programming. She made immense effort among students to clarify what are the vast jobs available in current scenario.she insisted students to improve their knowledge in all the programming skills,SAS platform, the session is very informative and useful to students.

FEEDBACK FROM STUDENTS

Name of the Programme : Data analytics using Python
Date : 18.03.2022
Participants Name : Madhumitha. R
Department/Year/Section : ECE / IV / B

1. How Important is Technical Lecture in the current scenario(1 being least, 5 Being most) :

Five

2. was the content informative and useful ?

Yes it was informative to all branches.

3. Did you receive helpful feedback on current Technology?

Yes they gave how SAS is useful to get placed in IT and core companies

4. what kind of Programme do you expect in future?

Programme related to Technology (current)

5. Any suggestions or comments about programme?

No

FEEDBACK FROM STUDENTS

Name of the Programme : Data Analytics using python
Date : 18/3/22
Participants Name : Sowmiya K.
Department/Year/Section : ECE / IV/ c

1. How Important is Technical Lecture in the current scenario(1 being least, 5 Being most) :

5.

2. was the content informative and useful ? Yes this is very useful.
and then the content delivery is full of satisfied.

3. Did you receive helpful feedback on current Technology?

Yes we received a helpful feedback on current Technology
and also learned new about current technology.

4. what kind of Programme do you expect in future?

We need workshop from your side.

5. Any suggestions or comments about programme?

The program is very much useful
and informative.
