REPORT ON "AWARENESS OF CLOUD COMPUTING"

On the 18th of August, A workshop was conducted based on the "Awareness of cloud Computing", by Mr. Ajmeer Kaja Mohaideen who is a major advisor of Tarcin Robotics. He is a certified Trainer trained in Azure data fundamentals, Azure AI fundamentals, Azure developer Associate, Azure solutions Architect etc.

We had a felicitation ceremony, A MOU is signed between Tarcin Robotics and SSMIET. The Introduction speech was delivered by Ms Anu lavanya and a momento was presented to Mr. Ajmeer by Dr V Nivedhitha.

Moving on to the topic, cloud computing is a virtual memory space. There are three kinds of cloud: Private cloud, public cloud and the hybrid cloud. Private cloud is offered to the users over the internet or private internal network. Public cloud is offered to and by the third party organisations. And the Hybrid cloud is the combination of Public and Private cloud. He discussed about the value of data, data authorisation and the security of datas. He even talked about the Operating Systems, docker containers. He gave us a knowledge about the Youjest Certified Microsoft Employees.

He showed us a glimpse of how to develop full stack application and creating a virtual machine, and also many other hands-on programs. He told us about the challenge labs based on the cloud concepts. Concluding the report, we had a useful session based on cloud computing and creating programs based on cloud concepts.
